# Daniel Montero

Student at Universidad Técnica de Ambato

Ambato, Tungurahua, Ecuador

## Summary

Hello, my name is Daniel Montero. I'm from Ecuador and I'm an 8th semester student of Software Engineering at the Technical University of Ambato. I am a creative person with innovative ideas, able to generate innovative solutions to the problems that I face.
In addition, as a programmer focused on web and mobile, I have technical skills that allow me to implement my ideas and create digital projects. With my knowledge and creativity, I am confident that I am capable of developing interesting and engaging projects.
My best skills are in web and mobile programming. In web I like to program FullStack and in mobile specifically with the Android platform. I also have the ability to adapt to any work team or project.
